

Student Media Consent Form

(Photography, Audio, Video, Digital Content)

During the year, photographs, audio, digital or video images may be taken at your child's school. Photographs are taken for archival purposes, for promoting the school in publications, classroom displays, yearbook, websites and social media.

(Please acknowledge the following by checking the boxes below)

I hereby consent to have my child photographed, video taped, audio taped or interviewed by Arab City Schools or the news media when school is in session or when my child is under the supervision of the Arab City Schools. I understand in the course of the above described activities that Arab City Schools might like to celebrate my child's accomplishments and work.

I also consent to Arab City Schools use of my child's name, photograph or likeness, voice or creative work(s) on the Internet, school/district websites or social media sites such as school facilitated Facebook, Twitter or blogs. The use of social media and other websites will offer a way to celebrate the learning in our classrooms, provide information about upcoming events, reflect on lessons taught in classes, and provide an extension to the standard classroom-learning environment. Parents will always be provided with information on how to view all posts involving their child.
